## **Christ Church Legacy Circle Contact Request Form**

### **What is the Legacy Circle?**

Have you remembered Christ Church in your will or arranged some other kind of “legacy gift?” If so, we’d like to know. And we’d like to say thank you! We would also like to invite you to be part of our Christ Church Legacy Circle – a community of individuals who have made a legacy of faith to ensure that Christ Church will be strong to serve, and have the capacity to care, for generations to come.

### **Would You Like More Information?**

Our Stewardship Group is happy to provide details, and to assist any who would like more information about making a bequest to Christ Church, including confidential suggestions in estate planning that could benefit your estate, other loved ones and the church.

### **Amount Disclosure and Privacy**

It is not necessary to disclose the details of your legacy gift, just your intention to provide the gift. But disclosing this detail greatly assists the church in our long term planning - and your privacy is guaranteed.

### **Contact Request**

If you would like a visit, or it is easier for us to contact you, please fill out the following request and we will get in touch to arrange a conversation at your convenience. Please confirm your contact information to ensure our records are up to date.
