Christ Church Housing Flyer

The image shows a flyer for a book presentation. At the top, a quote reads: "So thoughtful of solutions that it makes you want to shake politicians and policymakers and ask: 'What are you going to do?'" attributed to André Picard, author of *WE'LL GET TO 100 YEARS*. The title of the book is **OUR CRUMBLING FOUNDATION**. The cover features an illustration of two houses, one of which is tilted and crumbling. A red circular badge on the right says "NATIONAL BESTSELLER". Below the illustration, the subtitle is "How We Solve Canada's Housing Crisis" and the author's name is **GREGOR CRAIGIE**, with "BALSILLIE PRIZE FINALIST" written below it.

A Palestinian Christian Story
Thursday, October 10 via Zoom

The Rev. Canon Leyla King is a Palestinian-American Episcopal priest who will provide a way in to the conversation about the current realities in the Holy Land through the lens of her family's experiences as Palestinian Christians. Her stories will help us learn about the underlying roots of the conflict, understand its complexities, and equip us to think and speak more compassionately about current events and future hopes in Palestine and Israel. Leyla serves as the Canon of Mission in Small Congregations for the Episcopal Diocese of West Texas. She writes about her experiences as a Palestinian, a clergywoman and a mother at thankfulpriest.com.
